Re: Conservation Chemical Company of Illinois  
Site - Gary, Indiana

Dear Ms. Bradley:

This letter responds to your September 28, 1994 letter.

Appleton Electric Company is willing to contribute its fair share of the cost of financing the activities described in your letter in a full settlement of EPA's claims against Appleton. EPA has previously recognized that, if Appleton is liable for response costs at this site, its liability is de minimis.

In further communications relating to this matter, please continue to contact the undersigned.

Sincerely yours,

Patrick Henry  
Vice President of Finance & Treasurer
